REASONS FOR AND BENEFITS OF ENTERING INTO THE INVESTMENT FRAMEWORK AGREEMENT

In view of the tremendous market potential in electric vehicles market in the PRC, the Directors believe that the Investment demonstrate the execution capacity to commence business in the new energy industry and facilitate good future development opportunity in electric vehicles markets. In addition, the Target Company may apply for the new energy buses production license on its own which will further enhance future development opportunity for the Company. The production base of the Target Company was located in Wulong, a county locates at the southeast of Chongqing.

Wulong is classified as The National Civilized Transportation Industry Units* (全國交通運輸行業文明單位) and The Pollution-free Agricultural Products County* (無公害農產品產地縣) where there are World Natural Heritage (世界自然遺產) and 5A-grade Scenic Spot in China* (國家5A級旅遊景區) . As such, promoting usage of environmental friendly vehicles is one of the focuses and regional policies of Wulong. The local government of Wulong has expressed their interests and prioritized support to the production of electric vehicles by the Target Company, through the creation of dedicated electric public buses route as and when the Target Company's electric buses are available. It is expected that the first lot of electric buses would be 30 units and currently, Wulong has around 450 units of public buses with different size.

There are 29 county in Chongqing and the Directors are of the view that the Company will enjoy a competitive advantage through the Investment, and it will be a stepping stone for the Company to develop in the new energy industry in the PRC.

The Directors are of the view that the terms (including the consideration) of the Investment Framework Agreement, the Capital Injection Agreement, the Equity Transfer Agreements and the Equity Pledged Agreements are on normal commercial terms and are fair and reasonable and in the interests of the Company and the Shareholders as a whole.
